Aerotwin flat wiper blades are now also available for the rear window. This means that Bosch can offer a complete range of rear window wipers – for 95% of all vehicles.

Good visibility – even at the back

Bosch can supply the right rear window wiper for almost all vehicles.

Bosch commercial vehicle wiper blade: Only the best for professional road users

Bosch wiper blades for commercial vehicles, buses and transporters

It is particularly important for commercial vehicle drivers to have a clear view in every situation. Fortunately they can always rely on Bosch wiper blades. A proven track record of increased safety and convenience even under the most adverse conditions.

Aerotwin – Flat wiper blade for commercial vehicles: lengths of between 450 and 800 mm (as of 2013)

Bosch is the first company in the world to be able to offer innovative Aerotwin technology for retrofitting on commercial vehicles. Comprehensive tests have fully confirmed the added benefits of the Aerotwin wiper blade:

- ▶ Up to 30% longer service life
- ▶ Optimum wiping performance over the full length of the blade
- ▶ Excellent cleaning effect
- ▶ Extremely quiet operation
- ▶ Simple to replace with the pre-assembled universal adapter from Bosch

Innovative details as of 2013

- 1 Integrated spray jet** across many sizes of wiper blades
- 2 Combi interface** for the three most common hook sizes – 9 x 3, 9 x 4 and 12 x 4
- 3 Hasp-type fastening** for 800 mm wiper blade
New feature of Aerotwin flat wiper blades:
The “screw-type” interface for hasp fastening

Twin – Standard wiper blade for commercial vehicles: Lengths of between 400 and 1,000 mm (as of 2013)

- ▶ Perfect cleaning performance with no smearing
- ▶ Wear-resistant double micro-edge
- ▶ Robust and a long service life
- ▶ Particularly robust bracket design on Twin standard wiper blade for commercial vehicles ensures wipers of up to 1,000 mm in length rest on the glass in a secure and firm manner.
- ▶ 400–700 mm wiper blades come equipped with the tried-and-tested Twin dual material wiper rubber
- ▶ Smooth, quiet wiping

Approx. 97% of all commercial vehicles, buses and special vehicles are fitted with one of 18 types of wiper blades.
